

Pharmacists

Lloyds Pharmacy is Ireland's largest Pharmacy group with 94 Pharmacies nationwide. Nearly 1,000 people now work in our Pharmacies and within the Lloyds Pharmacy Support Office...and we are still growing. As a leading employer we provide excellent opportunities in a wide variety of job roles. If you are interested in pursuing a dynamic career and being at the forefront of Pharmaceuticals in Ireland then Lloyds Pharmacy is the employer for you!

Our mission is to provide excellence in customer service through a dedicated team of knowledgeable specialists in health and beauty who give our customers compelling reasons to be loyal to us. Achieving this mission is only possible through our dedicated pharmacy and support office teams.

As part of our team you too can develop your talent! If you join us, you're learning and development will begin on your first day by attending comprehensive induction training. In addition we use a variety of tools such as performance appraisals and development plans to identify learning and development needs. Our Learning and Development department offer a wide variety of internal training courses including OTC, Beauty, Management Development and Customer Service Skills training, we also offer a wide variety of Distance Learning options.

We are currently recruiting for [Pharmacists](#) and [Pharmacist Supervisors](#) for our Retail outlets throughout Ireland.
