

We have taken the decision to **cancel** this year's International Summer Campus **in its usual format**. As we are sure you will agree, it would not be reasonable to organise our programme here on campus as we usually do.

Just like our colleagues and partners around the world, we are working to **find solutions** in order to **offer a different version of our programme**, perhaps virtually, to students who would have been interested.

We will let you know as soon as we have any further information.

We also look forward to organising our International Summer Campus back on campus as usual in 2021!
