RE: Exclusive Distribution in Italy

To Whom It May Concern:

We hereby declare that the company Diatech Lab Line s.r.l ("Diatech"), located at Via Ignazio Silone, 1/B, 60035 Jesi (AN), Italy, has been appointed by NanoString Technologies, Inc. ("NanoString"), located at 530 Fairview Avenue N, Seattle, Washington, 98109, USA, as the exclusive distributor of NanoString's products for the territory of Italy, San Marino, and Vatican City, pursuant to the Amended and Restated International Distributor Agreement between Diatech and NanoString dated as of January 16, 2014 (the "Agreement"), with a term currently in effect through January 15, 2023, a term which automatically renews for an additional year through January 15, 2024 without further action by the parties, subject to all other rights of the parties under the Agreement. NanoString undertakes to communicate to Diatech any changes regarding the exclusive nature of the distribution arrangement in accordance with the Agreement.

Sincerely,
