#### ***- General information on expense reimbursements, shuttle service and accommodations***

Please note that, regarding travel expenses (transportation, accommodation, meals), the possibility of requesting a comprehensive reimbursement for all items is confirmed, up to a maximum of €410.00. To this end, the applicant is responsible for retaining and submitting the originals of all travel and accommodation documents (tickets, invoices, etc.), forwarding the necessary documents according to the instructions already provided by e-mail.

If you book your stay through the Booking.com platform (or similar), please ensure you receive an invoice/receipt/tax receipt, which you must attach according to the instructions above.

In addition to the shuttle service, Avis Provinciale Catanzaro (sponsor of *Conference*) offers to all speaker four single rooms for one night, including breakfast, at the Hotel Palace in Catanzaro Lido. Anyone wishing to take advantage of this offer should contact the Avis office by November 21st at [catanzaro.provinciale@avis.it](mailto:catanzaro.provinciale@avis.it). Please note that due to limited space available, priority will be given to applicants from geographically distant locations.

It is also specified that it will not be possible to provide a fuel refund for those travelling by car. The reimbursement will be granted exclusively to participants who are external to the Magna Græcia University of Catanzaro.

All speakers will also be given the opportunity to use the shuttle service, available free of charge during certain times. Details of these times will be communicated via e-mail after completing the form: <https://forms.gle/jLwuF42zW7bBPAXX9> .
