100% for free

Dear student,

garagErasmus Foundation and the **Italian National Agency Erasmus+ INDIRE** are pleased to invite you to participate in the 2026 edition of the **Learning Garage**, held within the framework of the project The + of Erasmus.

The Learning Garage consists of five **free Zoom sessions** covering five different hot topics related to **job hunting and the job market**, held by highly experienced trainers selected by garagErasmus Foundation.

The aim of these sessions is to provide the Erasmus Generation with **job hunting and professional skills**, giving them concrete answers, suggestions and relevant tips on the current job market.

The Learning Garage is **completely free** and will take place **in the following days, late afternoon:**

- 25 may, **Petra Papierníková (EduERA)**
- 27 may, **Linas Staršelskis (Efektas Group)**
- 28 may, **Manpower**
- 4 june, **Marco Cillepi (Capgemini Poland)**
- 8 june, **Oscar Fernandez Gonzalez (Bregal)**

You can directly [sign up here!!](#)

Registration will be open until **Monday 25 may at 14:00 (CET)** at [this link](#). All the registered participants will receive a confirmation email on the morning of the first session with the instructions on how to join the event on Zoom.

In case you have any inquiries or doubts, please send an email to projects@garagerasmus.org.
